Report of Pastoral Committee

Winchester Ind. 2/20-1877.

We the members of the Pastoral Committee respectfully submit the following report of our work since pt. mo. 1876.

As to the duties named in section one of the minutes regarding our appointment please see our report of 8-31-1876 concerning the selection of Rev. C. C. Hiett as pastor for the present year. His duties have been outlined and have been performed in such a way as to lengthen the cords and strengthen the stakes of Zion.

The duties have been made and we think the collections have been fairly good though not as promptly paid by some of our members as could be desired.

It is encouraging to note, however, by reference to former records that there is a very decided improvement in this particular.

We have freely discussed the propriety of appointing collectors but have been unable to make any definite arrangements in this respect.

The social and financial needs of the pastor have been before us and have been looked after as best we saw our ability to do so.

By the suggestion of the Preparative

Meeting and with the co-operation of our pastor, the committee procured Rev. J. T. Kittrell to conduct a series of meetings which began 12-13-1896 and closed 12-31-96. He can truly say that while the immediate results were very gratifying and such as follow the labors of none but those fully dedicated to the Lord's work, we believe the harvest then gathered was but the earnest of that which is still growing and will be garnered sooner or later as the result of his faithful seed sowing while among us. "Truly God is good to Israel."

One hundred thirty five dollars (\$135.00) interest from the "Ypsomian Bazaar Fund" has been received of which the committee recommends that the following distribution be made, viz.

To	Rev. Am. C. Brown	-	\$20.00
"	" Jesse O. Johnson	-	\$5.00
"	" Elkanah & Lura Beard	-	\$12.00
"	" S. S. Hinshaw	-	\$10.00
"	General Fund	-	~~\$78.00~~
	Total		135.00

As a committee we have keenly felt the responsibility placed upon us and our inability to direct our steps aright but we would acknowledge with gratitude that as we have sought divine guidance we have realized that the blessings of the Lord were

upon us and His grace has been sufficient.
 "O Lord! O Lord! How excellent is thy
 name in all the earth!"

On behalf of the committee
 J. T. Moorman, Chairman

I said plain - deem it-
 necessary that the list-

3^d That such list of membership be kept in a book for that purpose solely, and properly revised yearly. The com. respectfully submits this to the preparative meeting, asking, if the same should meet with its approval, that it appoint a com. for the purpose of making the membership ratio, after the list has been thoroughly canvassed by the overseers - together with the aid of the pastor. - also

That it appoint a preparative meetings Recorder, whose duty it shall be to have charge of said record book, and properly revise it, yearly, that the necessity of paying yearly Meeting Stock on a larger list of names than are actual members may be obviated. Also that the preparative meeting appoint two collectors or four as seems to be needed for the purpose of seeing that the money

Winchester R. parative meeting of friends held 7th Month 4th 1901,

The committee continued at last mtg to assist in collecting this meeting's deficiency of Yearly Meeting Stock report the money all raised amounting to \$120.³³

The following named friends are appointed to prepare to next meeting the name of a friend to serve this meeting as Clerk in the room of Thomas E. Canaday who requests to be released (to wit) Jennie Gray and Nancy Pickett

The following proposition coming before the meeting was considered and adopted and directed placed on record (Namely)

The Committee to devise a plan for collecting the money for the current expenses of Winchester Preparative meeting met as arranged for at Friends Church 8th month 12th 1901 and after due consideration of the subject thought it might be well in view of the fact that the expenses of our meeting devolves upon far too small a proportion of the membership, and in view of the fact that while such a condition exists the spiritual life of the Church suffers, aside from the fact of the embarrassment we are made to feel at times because of the lack of ready funds for the different lines of work, and therefore propose

1st To ratio each Adult-member proportionately, after putting under one head the lines such as Pastors Salary, Mr. Sticks, Sanitars Salary, heating, lighting, and incidentals,

2nd And for the furthering of said plan deem it necessary that the list of memberships be thoroughly gone over, & where

names are found that should not remain for any cause whatever such as uniting in Membership with other denominations etc. they should be left off of the revised list, together with all such as have been properly visited or corresponded with, and who still do not desire to remain with us.

3rd That such list of membership be kept in a Book for that purpose only, and properly revised yearly.

The committee respecting I submit to this to the Preparative Meeting, asking if the same should meet with ~~present~~ ^{its} approval that it should appoint a committee for the purpose of making the membership ratio, after the list has been thoroughly canvassed by the Overseers together with the aid of the Pastor. Also that it appoint a Preparative Meeting Recorder, whose duty it shall be to have charge of such record Book, and properly revise it yearly, that the necessity of paying yearly meeting stock on a larger list of names than are actually members may be abated, also that the Preparative Meeting appoint two collectors or four as seems to be necessary for the purpose of seeing that the money is collected

monthly from each individual,
